Business-day response

An independent merchant exporter

Mercators Universal LLP is a Pune-based merchant export house for pharmaceutical intermediates, specialty chemicals and polycarbonate roofing sheets. We are not tied to a single manufacturer, so we match each buyer to the right plant on price, specification and lead time.

Multi-source flexibility

A vetted network of direct manufacturers across India, with no exclusive tie-up to any one plant.

Trial-first engagement

Trial MOQs from 25 kg let new partners qualify quality and service before committing to container volumes.

Port-ready logistics

Consolidation via our Navi Mumbai hub and JNPT / Nhava Sheva, with sea-freight ready export packing.

Sourced to your spec

Need a product that isn't on our list? We source chemicals, intermediates and building materials to your specification.

GLOBAL REACH

Worldwide

We serve importers, distributors, formulation companies and construction businesses in markets around the world, order by order and without exclusivity constraints.

HOW WE WORK

From specification to shipment

01

Specify

Share the product, target grade and volume. We confirm requirements with you.

02

Source

We match your specification to the right manufacturer in our network.

03

Trial

Pre-shipment samples and trial MOQs from 25 kg before you scale up.

04

Ship

Export-grade packing, CoA and SDS, FOB Nhava Sheva, CIF or CFR as agreed.

What we export

Gliflozin intermediates API INTERMEDIATE GRADE

5-Bromo-2-chlorobenzoic acid	CAS 21739-92-4
2-Bromo-5-chlorobenzoic acid	on request
5-Bromo-2-chlorobenzoyl chloride	on request
4-Bromo-1-chloro-2-(4-ethoxybenzyl)benzene	on request

Benzophenone derivatives PHARMA · COSMETICS · UV FILTER

4-Hydroxybenzophenone	on request
4-Methoxybenzophenone	on request
4-Chlorobenzophenone	on request
2-Hydroxy-4-methoxybenzophenone	on request

Other halogenated intermediates FINE CHEMICAL GRADE

2-Chloro-4-fluorobenzoic acid	on request
4-Chloro-3-nitrobenzoic acid	on request

Polycarbonate sheets BUILDING MATERIALS

Polycarbonate sheets for roofing and daylighting applications, sourced from Indian manufacturers and exported to your specification.

Roofing. Sheets for roofing applications, supplied in the type, thickness and size your project calls for.

Daylighting. Sheets for daylighting applications that bring natural light into buildings, in the tint and finish you specify.

Specifications vary by manufacturer and are confirmed with the quotation. Datasheets, samples and pricing are provided on request.

Sourcing to your specification

Many buyers need an intermediate that is not in a catalogue. Share what you need and we work through it with our manufacturer network.

- Tell us the molecule: name, structure or CAS number
- Define the grade: purity, impurity limits, physical form
- State volume and packaging, from trial quantities to full containers
- We identify manufacturers, arrange samples and confirm commercial terms

Operational snapshot

Trial MOQ	25–100 kg / line
Monthly capacity	1–5 MT+
Ex-stock lead time	3–7 business days
Scheduled batches	2–3 weeks
Preferred port	JNPT / Nhava Sheva

Packaging

- UN-approved 25 kg / 50 kg HDPE and fibre drums
- Double-layer PE moisture-barrier liners
- Vacuum-sealed option for moisture-sensitive intermediates

Quality assurance and testing

- Sourced from GMP/ISO-aligned manufacturing partners
- Certificate of Analysis (CoA) supplied per batch
- MSDS/SDS provided per destination-country requirement
- Pre-shipment sample approval available on request

Payment and commercial terms

- T/T: 100% advance
- L/C at sight accepted for confirmed bulk orders
- Incoterms: FOB Nhava Sheva / CIF / CFR as agreed
- Pricing quoted in USD; volume-based terms negotiable

Commercial terms are confirmed at the time of order. Shown here as our standard starting basis.
